MEMORANDUM FOR: The Director

SUBJECT: Congressional Correspondence

1. This memorandum suggests action on the part of the DCI. Such requested action is contained in paragraph 2.

2. Attached hereto are proposed letters to Senators Russell, Saltonstall, Hayden and Knowland, to Congressmen Vinson, Cannon, Taber and Mahon, and to four committee staff members who have been helpful to us during the past session of the Congress. The letters to Senators Russell and Hayden are not addressed to them as chairmen of their respective committees, because I felt that the support which they gave us on various matters transcended their committee duties and functions. It is recommended that the Director sign these letters.
